

ISPE GAMP COP BENELUX KNOWLEDGE CAFE

AI data and model governance management

01-Dec-2025
12h30-13h30

Are you ready for AI
in computerized
systems?

What can we learn from **Annex 22 (draft)** and **GAMP Guide: Artificial Intelligence** about **AI data and model governance management** transforming your computerized systems into AI-enabled computerized systems?

Share knowledge, personal practices and benchmarks through discussion on a specific topic with peers during a 1-hour time slot.

Keynote speaker
Sam Laermans (NNIT, AI Director)
